In Memory:
Heather E. Frank

It is with sadness that we report the passing of Oliver and Lolita Frank's daughter, Heather Elisabeth Frank, on August 9. Born December 30, 1987, Heather succumbed much too early in life to complications of Balo's Disease, a rare neurological illness.

A San Mateo native, Heather graduated from Highlands Elementary School, Aragon High School, Cal Poly San Luis Obispo University, Franklin University Switzerland and Middlebury Institute of International Studies at Monterey. For the last four years, she was a respected and admired employee at LinkedIn. She was also an international educator with a passion for diversity and inclusion. Heather had a lifelong worldwide travel bug, visiting numerous countries during her short life.

She leaves behind her parents Oliver and Lolita Frank, sister Sandy Frank, brother Adriaan Frank, and extended family. Heather will be sorely missed by her family, numerous friends, and associates around the world. In lieu of flowers, donations may be made in Heather's memory to the National Multiple Sclerosis Society.

Passing of Frank Dell

By Mary Cohen

Our dear friend and Chapter supplier, Franklin "H" Dell passed away on July 5. He is survived by his wife of 42 years, Cathy, son Edward Dell, stepdaughter Chris and her husband Paul Buckmaster, daughter-in-law Terri Dell, four grandchildren and two great grandchildren. He was preceded in death by his son, James.

After working in the grocery business, Frank started a landscaping company in Fremont and eventually a successful wholesale nursery, Dell's Ivy Acres, in 1979. In 1990 he expanded to Brentwood from his primary location in Sunol. It was his hard work, dedication and integrity that has kept Dell's going for 40 years.

Frank joined CLCA in 1979 and was very supportive, both with his time and money, of CLCA and the Auxiliary. He was Chapter Associate Member of the Year and achieved Life Membership in 2004. Frank was bestowed Knight of the Garter by the State Auxiliary in 1998 for his gentlemanly qualities and support of the Auxiliary.

Frank loved all sports, but was an avid golfer and belonged to the Brentwood Men's Club. He achieved two holes in one in his lifetime, which was a source of immense pride and joy.

We will miss Frank, his infectious smile, his funny stories and his presence at dinner meetings. Always generous with his support of the Auxiliary scholarship fundraisers, it

was only fitting he enjoyed amazing luck as a frequent winner of monthly raffle prizes.

A celebration of life was held on Thursday, August 8th. In lieu of flowers donations can be made to the Golden Hills Community Church Ministry Scholarship program. Please specify GHCC #48 Scholarship Fund at Goldenhills.org.

Auxiliary Report

Lesley Peters

It's almost Christmas!
Haha! Panic attack. The days are rushing by, and I have noticed that some trees are already starting to change color for fall.

Christmas here we come!

In case you missed my emails in July, I will repeat some sad news here. I learned in the middle of July that Frank Dell, Dells Ivy Acres, passed away on July 5. Frank was a great supporter of CLCA and in particular the Auxiliary. The Auxiliary made Frank a Knight of the Garter, becoming Sir Frank Dell, in 1998. Frank was a gentleman and true champion of the Auxiliary, the very definition of a knight. He was a friend to many in our chapter and I was saddened to hear of his passing.

Unfortunately at the same time as Frank's passing, I learned that Alice and Camille Domine's daughter, Michele, passed away unexpectedly on July 21. We've come to know the Domine family through years of CLCA events and Alice's Christmas card, which always featured the entire family. The Domine's have many friends in CLCA and our hearts go out to the entire family.

It is time once again to renew your Auxiliary membership or join the Auxiliary for the first time. Established in the 1950's, the Auxiliary was formed as an assistance and support group to CLCA, but we are also equally interested and involved in what happens in the Green Industry. The

Auxiliary organizes several chapter functions, including the picnic in September and the holiday party in December. In addition, the Auxiliary raises money for LEAF (Landscape Educational Advancement Foundation), which was founded by the Auxiliary in 1988. LEAF awards scholarships to horticulture students in California helping to ensure the next generation of the Green Industry. The joys of fellowship and working together for a common goal have led to lasting friendships among CLCA families. I would love it if everyone joined the Auxiliary. We welcome your participation on whatever level of interest you may have and wish to share. Watch for your renewal notice in your email inbox and a membership application is in this issue of the Bay Breeze or available online at www.clcasfba.org.

The Chapter Picnic is almost here! Sunday, September 8, at Cuesta Park in Mountain View. It is a fun, family and friend-oriented day. Thank you again to our Auxiliary committee (Alice Domine, Vicky Parrott, Charlene Ott, KC and Leanna Coverdell, Rick Camin, Girvin Peters and myself) for continuing to organize this fantastic event. I look forward to seeing you there.

Coming up after the picnic is the Auxiliary's last meeting of 2019, on Thursday, October 10, at 6 p.m. at Celia's Mexican Restaurant in Palo Alto. Chapter President, Gabriel Thomas will be our host, meaning the chapter pays for our dinner! We welcome any prospective new members to this meeting, as we finalize plans for the Holiday Party and make plans for next year. Please join us.

Heat Warning!

Proactively Protect Workers to Avoid Cal/OSHA Citation

As temperatures soar this summer, Cal/OSHA safety inspectors will be blanketing California to ensure that job sites are complying with "high heat" procedures

to protect outdoor workers.

Review the information and regulation links in the text below to be sure you are up to date on compliance requirements.

In addition to the basic steps outlined by California's heat regulations for employers with outdoor workers, Cal/OSHA warns that heat above 95 degrees Fahrenheit requires additional precautions.

Among other measures, it is crucial that workers are actively monitored for early signs of heat illness. This helps ensure sick employees receive treatment immediately and that the symptoms do not develop into serious illness or death.

"During heat waves and whenever temperatures reach or exceed 95 degrees, employers must take additional steps to monitor workers for signs and symptoms of heat illness," said Cal/OSHA Chief Juliann Sum. "Water, rest and shade can protect workers from the heat."

California's heat regulation requires employers to protect outdoor workers by taking these basic steps:

- Train all employees and supervisors about heat illness prevention.

- Provide enough fresh water so that each employee can drink at least 1 quart, or four 8-ounce glasses, of water per hour, and encourage them to do so.
- Provide access to shade and encourage employees to take a cool-down rest in the shade for at least 5 minutes. They should not wait until they feel sick to cool down.
- Ensure that emergency medical services can and will be summoned when an employee feels sick or exhibits signs of heat illness, such as nausea, exhaustion or mental confusion.
- Develop and implement written procedures for complying with the Cal/OSHA Heat Illness Prevention Standard.

Online information on the heat illness prevention requirements and training materials can be obtained at <https://www.dir.ca.gov/DOSH/HeatIllnessInfo.html>

An Open Invitation to All CLCA Members to Join the Auxiliary

On behalf of the San Francisco Bay Area Chapter of the Auxiliary, I would like to extend an invitation to you to become a member. Established in the early 1950's, the CLCA Auxiliary was formed as an assistance and support group to CLCA, but we are also equally interested in and involved in the future of the Green Industry.

Known as the Auxiliary since 2013, we lend a helping hand when needed throughout the year, whether in the form of organizing functions, providing refreshments during specific activities or just being there when the association needs us. The Auxiliary, in its continued dedication to the future of CLCA and the Landscape Industry, spearheads fundraising efforts for the Landscape Educational Advancement Foundation (LEAF). The Auxiliary established LEAF to generate, invest and award scholarships to Horticulture students throughout California. The Auxiliary meets three times per year (January, May and October) to work out the details of specific Chapter activities, along with several other fun events throughout the year. All representatives of CLCA members (regular, associate, or affiliate) are eligible to be members of the Auxiliary.

We welcome your participation on whatever level of interest you may have and wish to share. Our dues are \$25 per year--\$20 goes to the State Auxiliary (\$15 to the General Fund and \$5 to the LEAF Auxiliary Fund), and \$5 stays with our local chapter General Fund. If you are interested in joining our diverse group, please fill out the form below and return it to me with a check for \$25, payable to CLCA SFBA Chapter Auxiliary. If you have any questions, don't hesitate to contact me.

Partners for Success

By Marin Vallalpando

This is my favorite month of the chapter year -- we have the family picnic AND the chapter golf tournament all in one month. Fun for the family, great fun on the golf course with chapter friends and colleagues -- what more could one ask for?

The golf tournament and all of our chapter events are made possible by the generous support of our many sponsors. Please thank them for their commitment to our chapter both with an "atta boy" when you see them, and also by supporting their businesses.

If you would like to become a partner, please contact me, Marin Vallalpando at 408.586.9292 or email marin@zankerrecycling.com.
